

Motor Vehicle Fire Investigation (Three-Day)

Goodlettsville Fire Department is pleased to host the 3 Day Motor Vehicle Fire Investigation Class

October 5 - 7, 2021

Goodlettsville Fire Department

105 Long Hollow Pike

Goodlettsville, TN 37072

Classes start promptly at 8am:

The IAAI Motor Vehicle Fire Investigation 3-day course consists of 24 hours of tested instruction in determining origin and cause of motor vehicle fires, and culminates in an investigation of a live burn vehicle fire scenario. Based on Chapter 27 of NFPA 921, topics will include vehicle investigation safety, fuel packages, ignition sources, and vehicle systems and identification. Included in the instruction is a live electrical demonstration showing how fuses, fusible links and relays work, as well as real time failure such as overload and shorts. Utilizing the team concept, students will have the opportunity to investigate a live burn, construct a report, and present their findings to the class. the IAAI Motor Vehicle Fire Investigation 3-day course satisfies the Specialist Training Requirement of the IAAI Motor Vehicle Fire Credential Endorsement program.

CFITrainer.Net® Module Prerequisites:

Motor Vehicles: The Engine and the Ignition, Electrical and Fuel Systems
